Years of Experience- 10 years

Objective- Senior AI Product Manager with 10 years building multilingual NLP products and deploying language AI at enterprise scale. At MetLife, led multilingual IVA deployment across US markets — building intent recognition, speech analytics, and NLP-driven automation in production — achieving a **43% operational efficiency gain**. At Kimberly-Clark, directed multilingual AI product deployment across 20+ global markets with UAE Data Residency and GDPR compliance, expanding market share by **30%**. Fluent in 4 languages; deep experience governing multilingual AI quality, language model integration, and cross-market localisation. Directly aligned to DeepL's mission of building the world's most accurate language AI for enterprise teams.

Skills-

Multilingual NLP Product Strategy (Language AI, Translation, Intent Recognition, Speech Analytics)
Enterprise B2B SaaS Roadmap, Language Localisation, Cross-Market Deployment
AI Quality Benchmarking, Model Evaluation, Language Expansion, UAT
Data Privacy & Compliance (GDPR, PDPL, UAE Data Residency) for Language Products
Cross-Functional Delivery (Engineering, AI Labs, Data Science, Marketing)
Data-Led Experimentation, OKR Definition, Product Analytics, Agile Execution

Languages- English (native), Hindi (native), Spanish (intermediate), German (basic)

Education-

Master's Program in Data Analytics, IBM Institute
B.Sc. in Economics and Statistics, Calcutta University

Certifications-

AI Product Management Specialisation, Duke University | Salesforce AI | Google Digital Transformation
Microsoft Azure | Agile Scrum, GSDC | ITIL 4 | Dubai Entrepreneurship Academy | 1 Million Prompters

WORK EXPERIENCE

MetLife | Bangalore, India | Product Management | Aug 2025 to Present

- Owned multilingual IVA product roadmap — deploying NLP models for intent recognition, speech analytics, and language-based automation across US enterprise markets, achieving a **43% operational efficiency gain** and **30% market penetration growth**.
- Led language model integration with AI Labs: defined quality benchmarks, ran UAT for NLP accuracy, and governed continuous improvement loops delivering a **24% engagement increase**.
- Managed AI product portfolio for an **\$18M global book**; applied data-led experimentation to drive **30% revenue uplift** and **15% profitability lift**.
- Implemented Next Best Action workflows integrating multilingual intent signals to reduce Average Handle Time by **30%**.

Kimberly-Clark Pvt Ltd | Bangalore, India | Product Management | Nov 2022 to Jan 2025

- Deployed multilingual AI tools across 20+ global markets including Europe, Middle East, and Asia — governed language quality, localisation strategy, and GDPR/PDPL compliance at scale.
- Directed an **\$18M global AI product portfolio** with NLP-powered integrations; expanded market share by **30%** and improved engagement by **24%** through personalised multilingual experiences.
- Established language-aware data residency controls (UAE Data Residency, GDPR) enabling deployment in privacy-sensitive European and Middle Eastern markets.

Sprinklr | Bangalore, India | Lead Product Consultant | May 2021 to Nov 2022

- Led multilingual enterprise product delivery across CCaaS, CRM, and MarTech for **25 high-ARR accounts**; drove **50% platform performance uplift** and **45% lead conversion gain**.
- Achieved **15% CSAT improvement** through data-focused iteration and cross-functional delivery for enterprise clients across multiple languages and markets.

ITC Infotech | Bangalore, India | Business Analyst | Dec 2019 to Apr 2021

- Built a VoC NLP feedback system for an insurance platform, reducing churn by **20%** and improving CSAT by **40%** through language signal integration.
- Defined Agile roadmap prioritising NLP features with measurable quality benchmarks.

Tangban International | New Delhi, India | International Marketing Analyst | Apr 2017 to Nov 2019

- Increased market penetration by **30%** and client retention by **20%** through multilingual market strategies across Asia, Europe, and the Middle East.
