Years of Experience- 10 years

Objective- Senior AI Product Manager with 10 years driving enterprise AI adoption, engagement growth, and cross-functional product delivery at global scale. At MetLife, led AI product strategy achieving a **43% operational efficiency gain** and **24% engagement increase** through Generative AI integration with 60,000+ enterprise users. At Kimberly-Clark, directed an **\$18M global AI product portfolio** deploying multilingual AI tools across 20+ markets with measurable ROI and engagement uplift. Expert in taking AI capabilities from concept to enterprise adoption — translating technical possibilities into product value for large, diverse user bases. Multilingual across 4 languages. Ready to bring enterprise AI product depth and global market experience to Synthesia's mission of making video creation AI-native.

Skills-

Enterprise AI Product Strategy (GenAI, LLMs, Multimodal, Video AI, Adoption at Scale)
B2B SaaS Roadmap, Differentiation Strategy, User Engagement & Retention Metrics
Multilingual Product Deployment (20+ global markets, 4 languages spoken)
Cross-Functional Delivery (Engineering, Design, Marketing, AI Labs, Data Science)
AI Lifecycle Management, UAT, Quality Benchmarking, Generative AI Data-Grounding
Data-Led Experimentation, A/B Testing, OKR Definition, Stakeholder Communication

Languages- English (native), Hindi (native), Spanish (intermediate), German (basic)

Education-

Master's Program in Data Analytics, IBM Institute
B.Sc. in Economics and Statistics, Calcutta University

Certifications-

AI Product Management Specialisation, Duke University | Salesforce AI | Google Digital Transformation
Microsoft Azure | Agile Scrum, GSDC | ITIL 4 | Dubai Entrepreneurship Academy | 1 Million Prompts

WORK EXPERIENCE

MetLife | Bangalore, India | Product Management | Aug 2025 to Present

- Led Generative AI product strategy for a 60,000+ user enterprise platform — partnered with AI Labs on data-grounding and content generation feasibility, delivering a **24% engagement increase** and **43% operational efficiency gain**.
- Owned AI roadmap and stakeholder alignment across Engineering, Marketing, and Data Science; shipped AI-driven features from discovery through UAT to production with measurable adoption outcomes.
- Deployed multilingual IVAs and CoPilot across US commercial teams, achieving a **30% revenue uplift**; managed full AI lifecycle for an **\$18M global portfolio** securing a **15% profitability lift**.
- Implemented Next Best Action agentic workflows reducing Average Handle Time and boosting team productivity by **30%**; tracked engagement, retention, and adoption KPIs continuously.

Kimberly-Clark Pvt Ltd | Bangalore, India | Product Management | Nov 2022 to Jan 2025

- Directed an **\$18M global AI product portfolio** with multilingual deployments across 20+ markets; maximised Marketing ROI by **30%** and spiked customer engagement by **24%**.
- Defined Salesforce AI product vision with NLP-powered integrations and personalisation; expanded market share by **30%** and secured a **15% profitability lift** through data-led experimentation.
- Governed product lifecycle across diverse international regulatory environments (UAE Data Residency, GDPR, PDPL), ensuring AI adoption at global scale without compliance risk.

Sprinklr | Bangalore, India | Lead Product Consultant | May 2021 to Nov 2022

- Led enterprise AI product delivery across MarTech/AdTech, CCaaS, and CRM for **25 high-ARR accounts**; drove a **50% performance uplift** and **45% lead conversion gain** through analytics-led iteration.
- Onboarded **10 new enterprise customers**; achieved a **15% CSAT improvement** and **10% user activation uplift** through cross-functional alignment and iterative delivery.

ITC Infotech | Bangalore, India | Business Analyst | Dec 2019 to Apr 2021

- Built a Voice of Customer NLP system reducing churn by **20%** and improving CSAT by **40%**; defined Agile roadmap delivering accelerated AI feature releases.

Tangban International | New Delhi, India | International Marketing Analyst | Apr 2017 to Nov 2019

- Increased market penetration by **30%** and client retention by **20%** through multilingual adoption strategies across international markets.
