Years of Experience- 10 years

Objective- Product Manager with 10 years building data-driven growth, conversion, and monetization loops across high-scale B2B SaaS and AI products. At Sprinklr, drove a **45% lift in lead conversions** and **50% performance improvement** through analytics-led experimentation across enterprise accounts. At Kimberly-Clark, engineered OPD/1PD/2PD data pricing loops that delivered a **15% profitability lift** and a **24% customer engagement spike** across global product touchpoints. At MetLife, shipped AI-powered Next Best Action and agentic CoPilot features driving **43% operational efficiency** and **30% market penetration**. Customer-obsessed, metrics-driven, and excited to own Emergent's conversion, retention, and monetization roadmap for the next billion creators. Portfolio: prernaagarwal.framer.website

WORK EXPERIENCE

MetLife | Bangalore, India | Product Manager | Aug 2025 to Present

- Owned the roadmap for AI-powered CoPilot and IVA features, running experiments across engagement funnels and Next Best Action flows that drove a **30% increase in market penetration** and **24% uplift in user engagement**.
- Shipped agentic automation features that improved user activation and retention across enterprise customers, contributing to a **30% uplift in total revenue** and a **43% gain in operational efficiency**.
- Built customer insight loops through behavioral data analysis and stakeholder interviews, refining the AI feature roadmap to drive measurable conversion and retention impact.
- Orchestrated product reporting and analytics for an **\$18M global portfolio**, obsessing over engagement cohorts and funnel metrics to deliver a **15% lift in profitability**.

Kimberly-Clark Pvt Ltd | Bangalore, India | Product Manager | Nov 2022 to Jan 2025

- Engineered OPD/1PD/2PD data pricing loops and regional monetization models that drove a **15% lift in product profitability** and a **24% spike in customer engagement** across global markets.
- Led growth experimentation across personalization, packaging, and data-driven activation, maximizing Marketing ROI by **30%** at scale.
- Directed an **\$18M global product portfolio**, tracking LTV, churn, and engagement cohorts to prioritize high-impact bets and drive high-scale adoption.
- Deployed multi-channel AI conversational tools (Voice, SMS, WhatsApp), improving user acquisition and conversion funnels while maintaining UAE Data Residency and GDPR compliance.

Sprinklr | Bangalore, India | Lead Product Consultant | May 2021 to Nov 2022

- Drove a **45% lift in lead conversions** and **50% performance improvement** through analytics-led growth experimentation and data-focused strategy across B2B and B2C SaaS platforms.
- Managed end-to-end product implementation for a **portfolio of 25 high-ARR projects**, improving conversion funnels and onboarding flows to achieve a **15% increase in customer satisfaction** and **10 new enterprise customers**.
- Obsessed over user activation metrics and engagement cohorts, aligning OKRs to improve user activation by **10%** and retention across MarTech, AdTech, and CCaaS products.

ITC Infotech | Bangalore, India | Business Analyst | Dec 2019 to Apr 2021

- Built a Voice of Customer (VoC) feedback system and customer insight loop for an insurance tech product, synthesizing behavioral feedback into product bets that drove a **20% reduction in churn**.
- Defined Agile product roadmap by prioritizing high-impact retention features from user research and data, resulting in a **40% improvement in CSAT scores**.

Tangban International | New Delhi, India | International Marketing Analyst | Apr 2017 to Nov 2019

- Developed market-specific product adoption strategies resulting in a **30% increase in market penetration**, **20% client retention growth**, and a **30% revenue increase** through targeted funnels and customer insight loops.
