WORK EXPERIENCE

MetLife | Bangalore, India | Product Manager | Aug 2025 to Present

- Led the strategy and roadmap for AI-powered Salesforce CoPilot and CCaaS/IVA features focused on B2B account onboarding, retention, and renewal workflows -- driving a **30% increase in market penetration**.
- Built and refined agentic workflows around Next Best Action, intent automation, and pipeline triage that supported commercial teams across deal execution, contributing to a **30% uplift in total revenue** and **43% gain in operational efficiency**.
- Launched AI-driven capabilities that personalized outreach, automated onboarding processes, and proactively surfaced account growth opportunities and churn risks across enterprise customers.
- Partnered with Marketing, Revenue Operations, and Support to align Salesforce CoPilot enhancements with go-to-market priorities, driving a **24% increase in engagement**.
- Orchestrated Salesforce CRM setup and reporting for an **\$18M global portfolio**, securing a **15% lift in profitability** via optimized sales-enablement data loops.

Kimberly-Clark Pvt Ltd | Bangalore, India | Product Manager | Nov 2022 to Jan 2025

- Spearheaded a global Salesforce AI vision targeting B2B account growth and account management automation, expanding market share by **30%** across Digitech and Martech sectors.
- Directed an **\$18M global product portfolio** with predictive market research and AI-driven personalization, driving high-scale adoption and a **15% lift in product profitability**.
- Deployed multi-channel AI conversational tools (Voice, SMS, WhatsApp) for customer onboarding and sales productivity, increasing global B2C user acquisition.
- Established product quality benchmarks under **UAE Data Residency**, GDPR, and PDPL compliance, contributing to a **30% lift in revenue** across regulated commercial environments.

Sprinklr | Bangalore, India | Lead Product Consultant | May 2021 to Nov 2022

- Led product strategy for B2B SaaS, CRM, and CCaaS platforms across MarTech and AdTech, delivering AI-powered customer success and account-management tooling for enterprise and luxury clients.
- Managed end-to-end product implementation and onboarding for a **portfolio of 25 high-ARR projects**, achieving a **15% increase in customer satisfaction** and onboarding **10 new enterprise customers**.
- Used analytics-driven sales enablement to boost performance by **50%** and lead conversions by **45%**, with measurable improvements to onboarding speed and account expansion.

ITC Infotech | Bangalore, India | Business Analyst | Dec 2019 to Apr 2021

- Engineered a Voice of Customer (VoC) feedback system for an insurance tech project, integrating customer input into product updates to drive a **20% reduction in churn**.
- Defined product strategy and Agile roadmap by prioritizing high-impact retention features, resulting in a **40% improvement in CSAT scores**.

Tangban International | New Delhi, India | International Marketing Analyst | Apr 2017 to Nov 2019

- Led brand-boosting and B2B account acquisition at major international events in China, increasing sales by **30%** and client database by **20%** through strategic funnels and a **20% increase in client retention**.
- Developed market-specific product adoption strategies resulting in a **30% increase in market penetration and revenue growth**.
