Microsoft Azure | Agile Scrum, GSDC | ITIL 4 | Dubai Entrepreneurship Academy | 1 Million Prompts

WORK EXPERIENCE

MetLife | Bangalore, India | Product Management | Aug 2025 to Present

- Directed CCaaS/IVA roadmap and Salesforce CoPilot integration, deploying agentic intent-based automation and speech analytics — achieving a **43% operational efficiency gain** and **30% revenue uplift** across US commercial markets.
- Engineered Next Best Action (NBA) agentic workflows for sales and operations teams, reducing Average Handle Time and boosting team productivity by **30%**.
- Owned full AI lifecycle and UAT, driving CoPilot utilization and internal adoption across commercial and account management teams; partnered with Data Science on Generative AI grounding to deliver a **24% engagement increase**.
- Orchestrated Salesforce reporting and data loops for an **\$18M global portfolio**, securing a **15% profitability lift** through optimized account retention and pipeline management.
- Led market penetration strategy with multilingual IVAs and AI-driven onboarding automation, achieving **30% market penetration growth**.

Kimberly-Clark Pvt Ltd | Bangalore, India | Product Management | Nov 2022 to Jan 2025

- Defined and executed global Salesforce AI vision, identifying B2B commercial growth opportunities that expanded market share by **30%** across Digitech and Martech.
- Directed an **\$18M global product portfolio**, applying predictive market research to accelerate enterprise adoption and account onboarding across 20+ markets.
- Built OPD/1PD/2PD data pricing loops for regional retention, securing a **15% lift in product profitability**; ensured UAE Data Residency and GDPR/PDPL compliance across all markets.
- Deployed multi-channel AI conversational tools (Voice, SMS, WhatsApp) to scale B2C acquisition, maximizing Marketing ROI by **30%** and spiking customer engagement by **24%**.

Sprinklr | Bangalore, India | Lead Product Consultant | May 2021 to Nov 2022

- Led product strategy and delivery for B2B enterprise SaaS across CCaaS, Salesforce CRM, and MarTech/AdTech, managing a **portfolio of 25 high-ARR accounts** and onboarding **10 new enterprise customers**.
- Drove internal adoption and end-to-end implementation of omnichannel AI workflows, achieving a **15% increase in customer satisfaction** and **45% lift in lead conversions** via analytics-led optimization.
- Boosted platform performance by **50%** and improved user activation by **10%** through data-focused experimentation aligned to commercial OKRs.

ITC Infotech | Bangalore, India | Business Analyst | Dec 2019 to Apr 2021

- Built a Voice of Customer (VoC) system for an insurance tech platform, integrating account signals into product updates to reduce churn by **20%**.
- Defined Agile roadmap prioritizing high-impact features, achieving a **40% CSAT improvement** and streamlined delivery cycles.

Tangban International | New Delhi, India | International Marketing Analyst | Apr 2017 to Nov 2019

- Grew client database by **20%** and increased market penetration by **30%** through strategic funnels and representation at international events in China.
- Developed market-specific product adoption strategies, increasing client retention by **20%** through targeted outreach and localized positioning.
