WORK EXPERIENCE

MetLife | Bangalore, India | Product Management | Aug 2025 to Present

- Directed CCaaS/IVA AI product lines for a financial services enterprise, deploying NLP-driven automation and speech analytics aligned to business goals — achieving a **43% operational efficiency gain** and **30% revenue uplift**.
- Collaborated with Engineering, Data Science, and Analytics to drive AI product development from concept to launch, delivering a **24% engagement increase** through Generative AI data-grounding.
- Owned AI lifecycle and UAT, ensuring quality benchmarking and alignment with customer expectations; implemented Next Best Action agentic workflows that boosted team productivity by **30%**.
- Orchestrated Salesforce CRM integration and AI-driven analytics reporting for an **\$18M global portfolio**, securing a **15% profitability lift** and **30% market penetration growth**.

Kimberly-Clark Pvt Ltd | Bangalore, India | Product Management | Nov 2022 to Jan 2025

- Deployed multi-channel AI messaging tools (Voice, SMS, WhatsApp) across 20+ global enterprise markets, scaling customer acquisition and maximizing ROI by **30%**.
- Owned AI product execution for an **\$18M portfolio**, optimizing NLP-driven workflows and OPD/1PD/2PD data loops — securing a **15% profitability lift** and **24% engagement uplift**.
- Defined Salesforce AI product vision with predictive analytics, expanding market share by **30%**; governed product compliance across international regulatory environments (UAE Data Residency, GDPR, PDPL).

Sprinklr | Bangalore, India | Lead Product Consultant | May 2021 to Nov 2022

- Led AI product strategy and delivery for B2B enterprise CCaaS, Salesforce CRM, and MarTech platforms, managing **25 high-ARR accounts** and onboarding **10 new enterprise customers**.
- Applied AI-driven analytics and data-focused experimentation to boost performance by **50%** and increase lead conversions by **45%**, with continuous contingency planning and risk mitigation.
- Drove internal adoption, achieving a **15% CSAT improvement** and **10% uplift in user activation** through cross-functional alignment and iterative product delivery.

ITC Infotech | Bangalore, India | Business Analyst | Dec 2019 to Apr 2021

- Built a Voice of Customer (VoC) NLP feedback system for an insurance tech platform, integrating customer signals to reduce churn by **20%** and improve CSAT by **40%**.
- Defined Agile roadmap prioritizing high-impact AI features, delivering accelerated release cycles and measurable quality improvements aligned to financial services compliance requirements.

Tangban International | New Delhi, India | International Marketing Analyst | Apr 2017 to Nov 2019

- Increased market penetration by **30%** and client retention by **20%** through market-specific product adoption strategies and strategic funnels across international markets.
