**WORK EXPERIENCE**

**MetLife | Bangalore, India | Product Management | Aug 2025 to Present**

- Directed CCaaS/IVA roadmap deploying multilingual voice agents and speech analytics for intent-based automation, achieving a **43% operational efficiency gain** and **30% revenue uplift** across US markets.
- Led language expansion and NLP model integration, partnering with AI Labs and Data Science on Generative AI discovery and data-grounding to deliver a **24% increase in customer engagement**.
- Engineered Next Best Action (NBA) agentic workflows, reducing Average Handle Time and boosting team productivity by **30%**; owned full AI lifecycle and UAT to ensure high model utilization.
- Orchestrated Salesforce CRM integration and reporting for an **\$18M global portfolio**, securing a **15% profitability lift** through optimized data loops and account retention.
- Led women's division of India's top AI Learning Community, driving community enablement and AI adoption.

**Kimberly-Clark Pvt Ltd | Bangalore, India | Product Management | Nov 2022 to Jan 2025**

- Deployed multi-channel AI conversational tools (Voice, SMS, WhatsApp) across 20+ global markets, increasing B2C acquisition and maximizing Marketing ROI by **30%**.
- Defined global Salesforce AI vision with NLP-powered integrations, expanding market share by **30%** and spiking customer engagement by **24%**.
- Directed an **\$18M global product portfolio**, applying predictive market research to drive enterprise adoption and ensure UAE Data Residency, GDPR, and PDPL compliance.
- Engineered OPD/1PD/2PD data pricing loops, securing a **15% profitability lift** and governing product lifecycle across diverse international regulatory environments.

**Sprinklr | Bangalore, India | Lead Product Consultant | May 2021 to Nov 2022**

- Led product strategy for B2B enterprise CCaaS, Salesforce CRM, and MarTech/AdTech platforms, managing a **portfolio of 25 high-ARR accounts** and onboarding **10 new enterprise customers**.
- Drove omnichannel AI workflow implementation and internal adoption, achieving a **15% CSAT improvement** and **45% lift in lead conversions** via analytics-led optimization.
- Boosted platform performance by **50%** and improved user activation by **10%** through data-focused experimentation aligned to commercial OKRs.

**ITC Infotech | Bangalore, India | Business Analyst | Dec 2019 to Apr 2021**

- Built a Voice of Customer (VoC) feedback system for an insurance tech platform, integrating NLP-driven signals into product updates to reduce churn by **20%**.
- Defined Agile product roadmap prioritizing high-impact features, achieving a **40% CSAT improvement** and streamlined delivery cycles.

**Tangban International | New Delhi, India | International Marketing Analyst | Apr 2017 to Nov 2019**

- Grew client database by **20%** and increased market penetration by **30%** through strategic funnels and international events in China.
- Developed market-specific product adoption strategies, increasing client retention by **20%**.
