WORK EXPERIENCE

MetLife | Bangalore, India | Product Manager | Aug 2025 to Present

- Directed enterprise-wide AI transformation: CCaaS/IVA roadmap and Salesforce CoPilot rollout across US markets, driving **30% market penetration** and **43% operational efficiency**.
- Led Next Best Action (NBA) strategy deployment and AI adoption across business units, contributing to a **30% uplift in total revenue**; managed AI lifecycle and UAT to ensure enterprise-scale CoPilot utilization.
- Partnered with Engineering on GenAI discovery, feasibility, and data-grounding, enabling a **24% increase in engagement**.
- Orchestrated Salesforce reporting and portfolio governance for an **\$18M global scope**, securing a **15% lift in profitability**.
- Leading the women's division of India's top AI Learning Community.

Kimberly-Clark Pvt Ltd | Bangalore, India | Product Manager | Nov 2022 to Jan 2025

- Orchestrated an **\$18M global AI product portfolio** rollout, applying predictive market research to drive high-scale adoption across international markets.
- Led global Salesforce AI transformation vision, expanding market share by **30%** across Digitech and Martech sectors through structured AI adoption programs.
- Deployed multi-channel AI conversational tools (Voice, SMS, WhatsApp) for B2C user acquisition; maximized Marketing ROI by **30%** and customer engagement by **24%**.
- Governed end-to-end product lifecycle with **UAE Data Residency, GDPR, and PDPL compliance** across diverse international regulatory environments.

Sprinklr | Bangalore, India | Lead Product Consultant | May 2021 to Nov 2022

- Led product strategy and digital transformation for enterprise clients across MarTech/AdTech, CCaaS, and Salesforce CRM -- managing a **portfolio of 25 high-ARR projects**.
- Delivered a **15% increase in customer satisfaction**, onboarded **10 new enterprise customers**, and boosted analytics performance by **50%** via data-led strategy.

ITC Infotech | Bangalore, India | Business Analyst | Dec 2019 to Apr 2021

- Engineered a VoC feedback system for an insurance tech transformation project, driving a **20% churn reduction** and **40% CSAT improvement**.
- Defined Agile roadmap and product strategy, prioritizing high-impact features for streamlined delivery.

Tangban International | New Delhi, India | International Marketing Analyst | Apr 2017 to Nov 2019

- Developed market-specific product adoption strategies resulting in a **30% increase in market penetration** and revenue growth.
